

We now offer ready-to-use To-Go Tie Dye Kits

No special knowledge required. You just get to have FUN!

Dye is mixed, in squeeze bottles, the garment is treated in a solution, and folded.

Kits are available for pick up or shipped, (Priority Mail Flat Rate Shipping added).

Each kit is individually sealed containing everything needed. Garment(s), dye, rubber bands, gloves, soap, and instructions.

There are many items and sizes to choose from. Price is based on the item(s) chosen.

Pick a pattern you would like to make, and up to 8 colors. For more than 8 colors, add \$1.00 for each extra.

Main Colors: Your kit will come with bottles of Yellow, Orange, Red, Amethyst, Purple, Turquoise Blue, Dark Blue, Bright Green, Teal, Brown, Gray, and Black

Extra Bottles for: Pink, Wisteria, Robin's Egg Blue, Seafoam, Chartreuse, or Tan \$1.00 ea. Fill the bottle with $\frac{1}{3}$ dye and water. Red makes pink. Purple makes Wisteria. Turquoise Blue makes Robin's Egg Blue. Bright Green makes Seafoam Green. Brown makes Tan. $\frac{1}{3}$ bottle Seafoam Green + $\frac{1}{2}$ bottle yellow mixes Chartreuse.

Patterns: **Classic Spiral**, Double Spiral, Rainbow, Random Crinkle, Heart, Circle, Diamond, V (Chevron), Stripes: horizontal, vertical, diagonal, or curved. Star, Peace Sign, these last two patterns are on only the front or back, which you will choose. The other side of the shirt can be one color or random colors. We recommend you do not choose a Peace Sign on sizes Toddler 4 or smaller as they are so small, it becomes more work than fun getting to look nice.

Or, the shirt can come unfolded, and you can fold it.

We use the highest quality garments and dye. The enclosed **Science of Color Handout**, has a lot of information about the process of dyeing. It explains light and color; what is happening, how, why and when it happens. Your item(s) will come already folded to create the pattern you choose, OR you can fold it yourself.
